### **Requirements for Participation in the AYS Program**

The AYS Program is an enhancement to, and not a substitute for, existing school music programs, each of which has independent rules and policies. AYS Program will coordinate activities with school programs as appropriate, but will neither interfere with, nor participate in establishing the rules or policies of, any school music program. Dismissal from any public or independent school will be viewed as a failure to participate in school band or orchestra and will result in dismissal from the AYS Program.

Students must be enrolled as regular members of their school band or orchestra, if offered. Students accepted into the program on a string instrument (violin, viola, cello, string bass and harp) must be enrolled in their school orchestra. Students who are accepted into the program on a wind, brass or percussion instrument must be enrolled in their school band. Home School students who also elect to attend a public school are subject to the same AYS Program membership requirements as public school students.

A list of students will be sent to all Music Directors, Orchestra Directors and Band Directors verifying appropriate participation according to AYS Program policy in your school instrumental music program. If your school has no instrumental program, the school principal must sign this sheet, indicating that no instrumental program is offered.

### **Transportation**

If you cannot get your child to rehearsal, **please** make arrangements with another student for transportation! In the past, car-pooling has been a very effective and cooperative way to meet

transportation needs. Students from each school generally make arrangements with each other. There will be an address and phone list distributed at the AYS Parent Meeting on August 17.

Thank you, and have a wonderful summer!
